## **SUMMARY**

With more than 35 years of Martial Arts experience, I served as Chief Instructor of the Tremont Karate Club in the Bronx, NY from 1997 until 2000. On May 4, 2000, I established Wisdom Way Martial Arts in Westchester County, New York. While I enjoy the privilege of training throughout the United States, I feel my most important role in the Martial Arts today is serving the people of my community. I am especially committed to keeping our children off the streets and empowering them with self-confidence.
